NEW · CAMPUS CARE

ST Joe's AI

Talk to the hospice kiosk. It listens. It rarely repairs. It will walk you to the right ward.

— Battery grief

— Beach ball denial

— Upgrade family meetings

— DNR paperwork

Do Not Resuscitate

(machines only)

No forced firmware.

No heroic reboots.

No "have you tried turning it off and on again."

Print a certificate. Download a screensaver. Hang it on the fridge next to the takeout menus.
